

# Health Net's Preventive Screening Guidelines

**GUIDELINES FOR CHILDREN AND ADULTS** 

Use this guide to help remind you to schedule well-care visits with your family doctor. Always seek and follow the care and advice of your doctor because these guidelines are updated regularly and may change.

This information is not medical advice and does not imply specific benefit coverage. Please check your plan benefit language for coverage, limitations and exclusions.

#### Helping you stay healthy

For more information regarding the guidelines or your specific plan benefits, please contact us at 1-888-802-7001 (TTY: 711), Monday - Friday 8 a.m. to 5 p.m.

Varatur.	At		Age (in months)							Age (in years)
