## PPO ADVANTAGE A20-500-2-4000

**YOU CAN USE THIS MATRIX TO HELP COMPARE COVERAGE BENEFITS. THIS MATRIX PRESENTS A HIGH-LEVEL SUMMARY. FOR A MORE DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS, REVIEW THE PLAN CONTRACT AND EVIDENCE OF COVERAGE (EOC).**

The copayment amounts are the fees members will be charged for covered services received. Health Net and the contracted provider have agreed to the copayment amounts. Copayments can be a fixed-dollar amount or a percentage of Health Net's cost for the service or supply. You may also see percentage copayments referred to as coinsurance. Members pay fixed-dollar copayments when they receive the service. The provider will usually bill members for percentage copayments after the service is received. All services are subject to the deductible, unless noted otherwise.

The specified deductible must be met each calendar year (January 1 through December 31) before Health Net Health Plan of Oregon, Inc. pays any claims.

Family coverage means the subscriber and spouse; the subscriber and child(ren); or the subscriber, spouse and child(ren). Family coverage includes the per person deductible. Under family coverage, each member's covered expenses count toward the family's deductible.

The annual out-of-pocket maximum includes your annual deductible, copayments and coinsurance. After you reach the out-of-pocket maximum in a calendar year, we will pay your covered services during the rest of that calendar year at 100% of our contract rates for participating provider services and at 100% of the maximum allowable amount (MAA) for out-of-network (OON) services. You are still responsible for OON-billed charges that exceed MAA.

For naturopathic care, call American Specialty Health, Inc. (ASH) at 1-800-678-9133.

Telemedical services include coverage provided by Teladoc. Teladoc provides supplemental telehealth services in addition to the mandated telemedicine services for medical, mental disorders and chemical dependency conditions. Teladoc services are not intended to replace services from your physician. Teladoc consultation services do not cover specialist services, and prescriptions for substances controlled by the DEA, non-therapeutic drugs or certain other drugs which may be harmful because of potential abuse.

If a newborn patient requires admission to an intermediate or intensive care nursery, the deductible and coinsurance for these services will accumulate under the newborn's coverage, not under the mother's coverage.

The outpatient emergency room copay is waived if admitted.

Certain services require prior authorization or must be performed by a specialty care provider.

Behavioral Health benefits are administered by MHN. For mental health or chemical dependency services, call MHN at 1-800-977-8216.
