¹All medical plans include pediatric vision coverage. Pediatric dental coverage must be purchased for dependents under 19 years of age through Health Net or another carrier. Pediatric dental is not available on the Oregon State Standard medical plans.

²The specified deductible must be met each calendar year (January 1 through December 31) before Health Net pays any claims.

³The annual out-of-pocket maximum includes the annual deductible, copayments and coinsurance. After the out-of-pocket maximum is reached in a calendar year, we will pay the covered services during the rest of that calendar year at 100% of our contract rates for participating provider services and at 100% of the maximum allowable amount (MAA) for out-of-network (OON) services. Members are still responsible for OON-billed charges that exceed MAA.

⁴Coinsurance is subject to the annual deductible.

⁵Prescription drug tiers are Tier 1: Generic; Tier 2: Brand Preferred; Tier 3: Non-Preferred; SP: Specialty. Retail pharmacy – members may receive a 90-day fill at a retail pharmacy; one copayment/coinsurance applies per 30-day supply. Tier 1, 2 or 3 prescription drugs may apply. Deductible waived unless otherwise noted. MAC A applies. Essential Rx Drug List - A listing of preferred drugs and their corresponding benefit levels is shown on the Health Net Essential Rx Drug List (EDL). Log in as a Health Net member at healthnetoregon.com to view the Oregon Essential RX Drug List.

⁶Deductible is waived.

⁷After deductible.

⁸All benefits including office visit copay, pharmacy and alternative care are after deductible.

⁹All copayments accumulate to the medical out-of-pocket maximum.

¹⁰Only chiropractic and acupuncture benefits available on Oregon State Standard Plans.
