#### WELCOME TO HEALTH NET

Simple steps for completing the form:

- 1. Review the materials enclosed in your enrollment packet. Be sure that you understand the coverage options that are available to you by your employer.
- 2a. If you are declining coverage for yourself and/or your dependents, section 6 is required. Do not fill out any other sections.
- 2b. If you are accepting coverage for yourself and/or your dependents, sections 1, 2, 3, 5, and 7 are required.

The Affordable Care Act (ACA) requires Health Net to provide to the IRS confirmation of health care coverage for yourself, as the subscriber, and your covered dependents. The IRS uses this information to confirm each member has minimum essential coverage. Please ensure that the Social Security number (SSN) is accurate for yourself and each dependent you are enrolling. For more information about the individual shared responsibility payment provision, go to http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision.

3. If you choose to enroll in the EPO, POS or CommunityCare plans, **you must select your primary care physician (PCP).** Be sure to fill in the names and 10-digit enrollment ID numbers as they appear in Health Net's online ProviderSearch tool.

Note: If you do not select a PCP, one will be selected for you.

- 4. If you choose to enroll in a PPO insurance plan, you are not required to select a PCP to enroll.
- 5. Make a copy of the completed application for your records. If a correction is needed, cross out and initial each correction.

  Please do not use a white-out product.
