

Ready to Lose Weight?

Decision Power® can help.

Your reasons for starting a weight-loss program are individual. But the process doesn't have to be.

Whether your aim is to improve your physical fitness, to become more comfortable or to take advantage of the health benefits, losing weight can lead to positive changes in your life. For some people, losing weight can save their lives.

Decision Power for weight loss and nutrition

We developed these free health improvement programs to support you through the process of learning to eat smarter, losing weight and keeping it off. With our programs, you can reduce your risk of heart disease and diabetes while improving your overall health and well-being.

You're not alone

Decision Power programs for weight loss and nutrition offer you these support options:

Support by phone

Decision Power wellness health coaches are available with one-on-one telephonic support. They can help you learn ways to make healthier food choices and stay motivated to lose weight. You'll receive a Health Coaching workbook with the tools and information you need to lose the weight and keep it off. Call the number on your ID card to reach a registered dietitian or health educator 24 hours a day, 365 days a year.

Health Promotion programs – online access
