

# Putting Your Clients' Health First

Health Net CommunityCare gives your clients the benefit coverage their employees need and a whole lot more to support their health goals.

**Patrice Holloway,  
Health Net**

*We collaborate with you in educating employees about healthy choices.*

*Good health has its rewards –  
a \$50 gift card!*

Helping people build strong relationships with their doctor – and healthy habits as a result – is what Health Net CommunityCare is all about. In fact, we think it's so important that we're putting a reward on the line.

Members can earn an annual \$50 gift card reward just by investing in their health. All they do is complete the Health Risk Questionnaire (HRQ) at [www.healthnet.com](http://www.healthnet.com), share the results with their primary care provider (PCP) at a scheduled preventive care physical, and note the physician visit in their [www.healthnet.com](http://www.healthnet.com) account.

Rewards for good health. Personal support when and how your clients want it.
