### **Pharmacy Reimbursement Form**

Whenever possible, Health Net recommends you fill prescriptions at participating pharmacies. However, members are eligible for reimbursement (minus the copayment) on covered prescriptions filled by a pharmacy other than a participating pharmacy for emergency medical care rendered outside the service area or if they are not active in the Health Net system at the time that the prescription is filled.

Mail a copy of your pharmacy receipts (not cash register receipts) to our office with the member's name, Health Net ID number and daytime phone number. Claims must be submitted within one year of the date of service. Please allow two to three weeks for reimbursement.
