In applying for enrollment as indicated on this enrollment form, I declare that, to the best of my knowledge, all of the information on this form is true and complete, and all of the persons for whom I am requesting enrollment are eligible for coverage. I, the applicant (employee) on my behalf and on behalf of every covered Dependent listed on this form or added in the future, agree that in the event any health care benefits provided to me or any covered Dependent by Health Net are the primary responsibility of Medicare or of any coverage for work-related injuries, illness or conditions, or of any third party on account of any injury, illness, condition, or damage, I will fully inform Health Net and will execute such assignments, liens or other documents which may be necessary to enable Health Net to recover the value of services provided. I further agree that in the event I, any Dependent or any of my family members collect benefits, damages or reimbursement from Medicare, or any other third party with respect to such injury, illness, condition, or damage, I will immediately reimburse Health Net to the full extent of services provided by Health Net in accordance with the group plan contract/policy.

I also agree to be bound by each and every provision of the group plan contract/policy (including all schedules and attachments which are a part of the group plan contract/policy) as now in effect and as may be amended in the future, and agree that all my rights are as specifically set forth in the group plan contract/policy. I authorize my employer to deduct from my earnings any amount required to cover my share of the premiums or prepayment fees, if any, payable under the group contract/policy. I acknowledge that Health Net's benefits are only available if obtained in compliance with all provisions of the group plan contract/policy.
