¹The specified deductible must be met each calendar year (January 1 through December 31) before Health Net pays any claims.

This Plan Overview is intended to be used for marketing purposes only and presents general information. Please refer to the Benefit Schedule and Agreement for details, limitations, exclusions, and other terms and conditions of coverage.

²The annual out-of-pocket maximum includes the annual deductible, copayments and coinsurance. After the out-of-pocket maximum is reached in a calendar year, we will pay the covered services during the rest of that calendar year at 100% of our contract rates for participating provider services and at 100% of the maximum allowable amount (MAA) for out-of-network (OON) services. Members are still responsible for OON-billed charges that exceed MAA.

³Deductible is waived.

⁴If a newborn patient requires admission to an intermediate or intensive care nursery, the deductible and coinsurance for these services will accumulate under the newborn's coverage, not under the mother's coverage.

⁵For mental health or chemical dependency services, call 1-800-977-8216.

 $^{^6}$ Corrective shoes and arch supports, including foot orthotics, are excluded unless prescribed in the course of treatments for, or complications from, diabetes.

⁷Prescription drug tiers are Tier 1: Generic; Tier 2: Brand Preferred; Tier 3: Non-Preferred; SP: Specialty. Retail Pharmacy – members may receive a 90-day fill at a retail pharmacy; one copayment/coinsurance applies per 30-day supply. MAC A applies. Essential Rx Drug List – A listing of preferred drugs and their corresponding benefit levels is shown on the Health Net Essential Rx Drug List (EDL). Log in as a Health Net member at www.healthnet.com > My Health Plan > Pharmacy Coverage > View My Drug List > OR Essential RX Drug List.

⁸Certain drugs identified on the Essential Rx Drug List are classified as Specialty drugs under your plan. Specialty drugs are high-cost biologic, injectable and oral drugs typically dispensed through a limited network of pharmacies and have significantly higher cost than traditional pharmacy benefit drugs. Prior authorization is required for these medications.

⁹For alternative care benefits, call American Specialty Health at 1-800-678-9133.

¹⁰Family coverage means the subscriber and spouse; the subscriber and child(ren); or the subscriber, spouse and child(ren). Family coverage includes the per person deductible. When a member meets the per person deductible, additional services will be covered during the rest of that calendar year even if the family deductible has not been met. The family deductible is satisfied when two or more members collectively meet the family deductible.

¹¹Adult dental and vision plans are not available with the State Standard Plans.

¹²Benefits listed at 0% or No charge means Health Net will pay covered services at 100% of the maximum allowable amount (MAA) for out-of-network services. Member is still responsible for out-of-network billed charges that exceed the MAA.
